

Modern Elegance Meets Solid Performance

Richards-Wilcox
Garage Doors

A door designed to be as refined as the home it protects. **The Stilo™ Smooth Panel Garage Door**

Stilo delivers a clean, modern look with premium performance made for Canadian living. Its sleek surface complements contemporary design, while advanced insulation and durable steel construction ensure year-round comfort and reliability.

Upgrade for style, energy efficiency, and peace of mind—all in one elegant solution.

Why choose Stilo? • Clean architectural design • Fast retrofit & renovation delivery
• Single-shell design for added safety • Built for harsh winters

Why homeowners love it

STILO

Engineered for Performance. Designed for Style.

Behind the sleek design is serious engineering. Stilo™ is crafted with insulated panels, a polyurethane foam core, and a single-shell design—combining beauty with strength, safety, and comfort.

Key Features

Superior Insulation: Keeps garages warmer in winter and cooler in summer.

Weather Tough: Built to withstand snow, ice, and moisture in Canadian climates.

Safety First: Single-shell design adds durability and protection.

Lasting Strength: Premium steel and warp-resistant construction ensure long-term performance.
