

HOW DOES YOUR DOOR SUPPLIER MEASURE UP?

Richards-Wilcox Does

With six thicknesses and a wide variety of popular colors, R-W is the perfect option to supply both residential and commercial bulk panels.

Featuring:

NEUFOAM™ POLYURETHANE

R-W sections are evenly filled with environmentally friendly CFC/HCFC-free Neufoam™. The higher density polyurethane insulation in a computer controlled continuous process provides uniform insulation, superior adhesion and excellent strength.

STEEL REINFORCING STRIP

Every R-W section features a continuous top and bottom internal steel reinforcing strip that makes for easy hardware mounting. This makes R-W sections perfect for cut and cap programs.
